The *Iowa Medicare Supplement Premium Comparison Guide* is provided by SHIIP, the Senior Health Insurance Information Program. SHIIP is the resource for objective information and assistance on Medicare and related health insurance issues. **SHIIP does not sell insurance or promote specific insurance companies or agents.**

It is important that you read the “Guide to Premium Charts” (pages 1-5) before you begin using the premium information to comparison shop for policies.

INTRODUCTION

As of June 1, 2010, there was a change to the standardized Medicare Supplement plans sold in Iowa. There are now ten plans. Benefits have changed slightly from those offered on policies written before June 1. **Important:** If you purchased a plan before June 1, 2010, you may keep your plan. The benefits will not change and your plan will continue in force. Policies effective June 1 2010 or later will be written with the “new” benefits.

The ten standardized Medicare supplement plans sold in Iowa starting June 1, 2010 are labeled A, B, C, D, F, G, K, L, M and N, plus high deductible plan F. The chart on page 4 shows the benefits offered under each plan. The first step in buying a supplement is to select one that meets your needs and is affordable. For a description of the benefits found in the ten plans, request the “Iowa Guide to Medicare Supplement Insurance” available from the Senior Health Insurance Information Program (SHIIP). Call 1-800-351-4664 (TTY 1-800-735-2942).

Plan benefits are the same with every company. That makes premium comparison important! Companies are allowed to offer innovative (extra) benefits. This Guide lists the companies approved to sell Medicare supplements, their annual premiums and other important information. If you have questions about Medicare supplement insurance or this Guide, please contact SHIIP. Trained SHIIP counselors are available across the state to help you. For the name and telephone number of the SHIIP location nearest you, call **1-800-351-4664 (TTY 1-800-735-2942)**.

GUIDE TO PREMIUM CHARTS

Premiums shown are for those policies
effective June 1, 2010 or later

INSURANCE COMPANY NAME/ TELEPHONE NUMBER:

Companies included in this Premium Guide responded to the SHIIP premium survey. The company telephone number can be used to get more information about the plans.

AGE:

Premiums shown are for ages 65, 70, 75 and 80. Call the company for premiums for other ages. Those who have Medicare due to disability pay the same premium regardless of their age.

ANNUAL PREMIUMS:

A variety of factors may affect your premium. Some companies have different rates for males and females and smokers. Look under the company name to see if these apply. Some companies may charge higher premiums for people with specific health conditions. **You need to contact the company or local agent for premium information specific to your age and the policy being considered.**

HIGH DEDUCTIBLE PLANS:

Some companies offer a high deductible option for Plan F. The benefits are the same as regular Plan F. The difference is that you must pay the first \$2,000, after Medicare's payment, before the policy will pay benefits. If the company offers high deductible Plan F, the premiums are shown in the column labeled F(HD).

AUTOMATIC CROSSOVER CLAIMS FILING:

If the letter "C" appears in the "Notes" column, the company has signed a crossover agreement with Medicare. This means your claim will be sent automatically from Medicare's computer to the insurance company's computer. You won't need to file claims with the insurance company.

PREMIUM TYPE:

Premium type refers to the way a company considers age when setting premiums. "AA" in the "Notes" column refers to attained age. This means premiums are increased as you get older. "IA" refers to issue age, which means the premium will always be based on the age you were when you first bought the policy. An "NA" means premiums are not based on your age. **Policy premiums can increase on all policies for reasons other than age.** [Note: We list one premium type per company in this guide. However companies may sell more than one type. For example, a company may have a Plan F that is sold both IA and AA.]

AREA:

When the letter "S" appears in the "Notes" column, the company charges the same premiums in all parts of Iowa. The letter "Z" means prices can differ by zip code. When a "Z" appears in this guide, the premiums listed are for the **Des Moines** area zip code. Call the company if you have a different zip code.

POLICY FEE:

If a dollar amount appears in the "Notes" column, the company charges a one-time fee when they issue the policy. This fee will not be refunded if you decide not to keep the policy.

OPEN ENROLLMENT

The first six months you are 65 or older and enrolled in Medicare Part B, you have a Medicare supplement **open enrollment** period. During this period you can buy any Medicare supplement policy available. You cannot be refused coverage. Premiums cannot vary due to your health. **However, the company can impose a waiting period of up to six months before covering pre-existing conditions.**

PRE-EXISTING CONDITIONS WAITING PERIOD:

The "**Comments**" column indicates the number of months you must wait before the company covers pre-existing health conditions. In two situations a waiting period for pre-existing conditions **cannot** be required:

1. You are replacing a Medicare supplement policy you have had at least six months. There can be no gap between the time your old policy ends and the new policy begins.
2. You buy a Medicare supplement policy during the open enrollment period. You had other health insurance for at least six months before buying the supplement. You apply for your Medicare supplement policy within 63 days of when your prior health insurance coverage ends.

GUARANTEED ISSUE:

If the letters "**GI**" appear in the "**Comments**" column, you can buy the plans listed no matter what your age or health problems. This applies even if it is past your **open enrollment** period. "**None**" after **GI** means none of the plans are guaranteed issue.

There are special times when some Medicare supplement plans must be offered guaranteed issue. During these times you will have no waiting period for pre-existing conditions. For more information call SHIP at **1-800-351-4664** and ask for the "Iowa Guide to Medicare Supplement Insurance."

SALES:

An "**I**" in the "**Comments**" column means policies are sold to individuals. "**G**" indicates policies are sold through a group. Policies sold by **agents** list an "**A**". An "**M**" appears if policies are sold directly through the **mail** or through a **website**. Some companies use agents and direct mail to sell. Some sell to both groups and individuals. The premium listed is for the sales methods that are used most frequently in Iowa.

MEDICARE ADVANTAGE

Your Medicare Part A and B benefits can be provided through private plans that have a contract with Medicare. They are called Medicare Advantage plans. Some of your options include HMOs, PPOs, and Private Fee-For-Service plans. You do not need a Medicare supplement if you sign-up for any of these plans. If you would like information about plans sold in Iowa call SHIP, at **1-800-351-4664 (TTY 1-800-735-2942)** or read the Medicare Advantage guide on our web site, **www.TheRightCallIowa.gov**.

QUESTIONS THE CONSUMER SHOULD ASK THE INSURANCE COMPANY OR AGENT

1. What is the exact premium for the plan I've chosen (at my current age)?
2. Some companies note that rates for females are different. Females should ask: What is the premium for the plan I want at my current age?
3. Some companies note that smoker rates differ. What are the rates if I am a smoker?
4. Have your premiums increased or decreased since this guide was published?
5. Has your company added or dropped any plans since this guide was published?
6. Has the company added the Medicare automatic crossover service since this guide was published, so my claims will be automatically sent from Medicare to your company?
7. What is the pre-existing condition waiting period for the plan I'm considering?
8. If a group policy, is there a group membership fee?
9. Does the company have an annual administrative fee?
10. What is the premium for my zip code (if zip code rating is used)?

Medicare Select

Medicare Select is a different type of Medicare supplement policy.

Medicare Select policies must be one of the ten standardized plans. This means Medicare Select policies **cannot** offer any benefits that are **not** in a standardized plan.

Medicare Select companies have the right to require that you use **specific** hospitals and doctors. Medicare Select plans currently available in Iowa only require you to use specific hospitals. You can use any physician; however, he or she must have admitting privileges to a participating hospital.

If you do not use the hospital or doctors required in the policy, **Medicare will still pay its portion.** However the Medicare Select company is **not** required to pay your hospital deductible or copayment. Review your policy for specific guidelines.

Because these limits control costs, a company's Medicare Select premiums will be lower than their regular standardized Medicare supplement premiums.

If you have a Medicare Select policy for at least 6 months and then cancel it, you can buy a regular Medicare supplement policy from the same company. The plan you buy must have at least **equal** or **lesser** benefits. The company must sell you the new policy whatever your health status. Also, **depending on your health status**, you **may** be able to purchase a Medicare supplement policy with **more** benefits. You are covered from the first day under your new policy.

Medicare Supplements For People with Disabilities

Medicare supplement policies sold to persons who qualify for Medicare because of disability are listed on the following page. Most companies will ask medical questions when you apply. They may not issue policies to people with some types of health conditions.

In the "**Notes**" column, plans listed after the "**GI**" are guaranteed issue. That means a plan will be issued regardless of your health.

Some companies may offer Medicare supplement insurance to you if you have Medicare because of a disability **and currently have insurance with them**. Check with your present insurance company to see if they will provide you with a Medicare Supplement policy.

ANOTHER OPTION for those with Medicare because of disability may be to apply for a Medicare Advantage plan. Medicare Advantage plans must accept anyone on Medicare who applies for coverage, except people with permanent kidney failure. To find out if Medicare Advantage plans are available in your area, call SHIP at 1-800-351-4664 (TTY 1-800-735-2942).

OPEN ENROLLMENT FOR THE DISABLED

AT AGE 65: All Medicare beneficiaries are eligible for a six-month open enrollment period at age 65. If you were on Medicare because of a disability any time before age 65, you will get the six-month open enrollment period when you turn 65. See page 2 for an explanation of the open enrollment period.
